

## NATIONAL TRAILS SYSTEM

In addition to the management of national parks, the Service has management responsibility for fifteen congressionally established long-distance trails in the National Trails System - 5 national scenic and 10 national historic trails. The fifteen National Trails System components under direct National Park Service stewardship are:

Appalachian NST	Oregon NHT
California NHT	Overmountain Victory NHT
Ice Age NST	Pony Express NHT
Juan Bautista de Anza NHT	Potomac Heritage NST
Lewis and Clark NHT	Santa Fe NHT
Mormon Pioneer NHT	Selma to Montgomery NHT
Natchez Trace NST	Trail of Tears NHT
North Country NST	

Funding in this program is used for resource inventory, planning, coordination, onsite certification, and interpretation of trails, some of which are designated units of the National Park System. All of the national trails are managed in Regional Offices, with Washington oversight and assistance, except for the Appalachian National Scenic Trail, managed directly by the Washington Office, and Natchez Trace National Scenic Trail, which is managed by the Natchez Trace Parkway. FY 2001 costs for the National Trails System are estimated at \$218,000 and the FY 2002 request is \$220,000, as shown below. A summary of the base funding for the national trails follows:
