NOTE: This is an amendment to Glen Canyon's Compendium. This document will be posted on the Glen Canyon intranet at <http://www.nps.gov/glca>

Compendium amendment to 36 CFR Section 3.3 – Boating and Water Use Activities –

The alternate Stateline launch ramp, located 300 yards south of the current Stateline launch ramp is limited to the launching of vessels less than 24 feet. Three axle trailers are prohibited.

Determination: *This launch ramp is pre 1970 in construction and the surface will quickly deteriorate with large and heavy traffic.*
